## **\*Let's Find a Letter**

**Let's have fun with the alphabet and our cameras this year!**

### **Three easy steps:**

1. **Find a letter in a picture that you take. One letter per picture.**
2. **Submit them at the November meeting.**
3. **Win a prize for the most letters photographed.**

**You may put multiple pictures on one sheet, but they must be in alphabetical order for ease of our reviewing them. You could do large thumbnails or a collage, or you could submit 26 separate pictures. Your choice.**

**We will announce the winners and give out the awards at the next meeting.**
