

COMMITTEE REPORTS FOR STAFF MEETING

April 8, 2020 Via Zoom

Exhibitions Committee

Our next exhibit will be in the card room. Kathy will send out a call for entries in the next couple of weeks, but of course, we cannot schedule an installation until we know when amenities will open. However, she hopes to have the card room members select the entries by early May so we will be ready to hang when the room opens.

Website Team

The website is paid up for the next 12 months (\$396), and the analytics update for the past four weeks - total "hits" were down 59% from the previous period. Activity dropped off significantly after March 12 when that month's competition winners were posted. Although not verified, the assumption is that the calendar remains the most popular page.
